about the Speaker

Pam was saved at the age of 6 and was blessed to grow up in a Pastor's home. In 1989, she was married to Jeff Copes.

Since 1993, God has used Bro. and Mrs. Copes in full-time Christian service in many ways spanning several states. In 1998, God blessed their home with a beautiful daughter, Victoria Grace. Currently, Mrs. Copes lives in Oklahoma and works alongside her husband at Heartland Baptist Bible College, where he is the Executive Vice President. She enjoys teaching in the Ladies Class at Southwest Baptist Church, being a blessing to the college girls at Heartland, and speaking at ladies meetings around the country. Pam certainly "wears many hats" and enjoys serving the Lord in many areas, but none bring her more joy and fulfillment than loving and caring for her husband and daughter whom she treasures. If I could only choose one word to describe Pam Copes, without a doubt that word would be...*GENUINE*.
