Party Planning

"Over The River And Through The Woods"

Designing Wood Crafts

about the Speaker

Twila Jones accepted Christ as her Savior in 1978 while attending Bible College. After graduating she met Ron Jones at Vacation Bible School.

They were married in 1982, blessed with two children, Rachel and Stephen. Henrie is their grandson, and they are eagerly awaiting a second grandchild this July.

After running from the Lord, Ron gave in to the Lord's leading in his life and in 1993 the Jones family started in full-time service. They were blessed with many opportunities to serve on staff in several states. After three years as the associate of Temple Baptist Church in El Dorado, Kansas, in 2003, Ron Jones was called to be their pastor. Bro. Ron and Twila consider the ministry at Temple to be "the greatest thing we've ever done!"

Twila enjoys a busy ladies' ministry as well as traveling with her husband as he speaks around the country. She endeavors to be a faithful helpmeet to her husband, a loving mother to her children, an example to the ladies of her church, and an encourager to all ladies in the ministry. The focus of her ministry is the importance of God's Word. Her trademark phrase is "Learn it! Love It! Live It!"
